

# Curriculum Overview

## English

This half term we will focus on:

### **Novel as a theme and non-chronological reports**

We will also be working on recapping phonics, spelling, punctuation and grammar previously learned and extending into using speech marks and paragraphing.

## Computing

Email - Pupils can list a range of ways the internet can be used to provide different methods of communication. Understand computer networks including the internet; how they can provide multiple services, such as the world wide web; and the opportunities they offer for communication and collaboration.

## Science

Group and compare rocks based on their appearance and properties. Describe how fossils are formed. Explore the different organic matter in soil.

Spellings will be given out on a Monday and a spelling test will happen on Friday.

Homework will be given out on Friday and due the following Friday.

Spellings and homework will be added to Kingfishers class page on the website.

## Kingfisher Class– Spring Term 2

2022-2023

## RE

### **Exploring Easter Celebrations worldwide**

Widen perceptions of the celebrations of Easter, including worldwide Christian traditions.

## PE

This half term we will be focusing on Gymnastics. Develop flexibility and control through a range of gymnastic movements. **Children will have PE lessons on Tuesdays and KICK sessions will be on Wednesdays.**

## Art

Observational drawings of the Lake District mountains.

## French

Explore the different nouns used for animals and colours. Describe animals in French using their knowledge of colours.

## Maths

This half term we will be looking at: **Fractions, Decimals, Mass and Capacity** as well as continuing to focus on basic number bonds and number formation.

## Geography

Study the different mountains and hills in the Lake District and their human/ physical geography. Lake District.

## Music

Improvise and compose music following the composition of a soul/gospel song, taking inspiration from Lean on Me – Bill Withers.

## PSHE

### **How will we grow and change?**

Understand how our bodies change, that this can affect emotions and feelings and how to ask for advice and support about growing and changing.
